

Goldgroup Mining Inc. Amends Credipresto Facility

Vancouver, British Columbia (December 23, 2015) – Goldgroup Mining Inc. (“Goldgroup” or the “Company”) (TSX:GGA, OTC:GGAZF, BMV SIX:GGAN.MX) announces it has entered into an agreement to amend the terms of the outstanding loan facility (the "Facility") to Credipresto SAPI de CV SOFOM ENR ("Credipresto"), subject to TSX approval. Javier Reyes, a director of Goldgroup, is a principal of Credipresto.

Facility amended terms

- The Facility previously was set to mature on September 18, 2017 and was repayable in the amount of 25% of the outstanding amounts drawn (plus accrued interest) every three months commencing December 18, 2016. The Company has extended the repayment period by one year with the Facility now maturing on September 18, 2018 and is repayable in the amount of 25% of the outstanding amounts drawn (plus accrued interest) every three months commencing December 18, 2017;
- the Facility is available for drawdown through December 18, 2017; and
- the remaining terms of the Facility are unchanged with outstanding principal amount of the Facility accruing interest, in arrears, at an annualized rate of 15% on the portion of the Facility that is drawn down. The portion of the Facility which is not drawn down accrues interest, in arrears, at an annualized rate at 2% until December 18, 2017.

The total amount drawn down as at the date of this release is approximately US\$7,550,000 (approximately US\$2,450,000 available to be drawn), and the amount of outstanding principal is approximately US\$3,740,000.

As part of the terms of the amendment, Credipresto has also agreed to forfeit 9,000,000 warrants to the Company for cancellation. These warrants were originally issued as a condition for entering into the Facility and are described as the “First Warrants” and the “Third Warrants” in the Company’s press release announcing the Facility on September 22, 2014.

As consideration for the amendment, the Company has agreed to:

- issue 8,642,080 common shares to Credipresto, subject to the statutory hold period; and
- amend the terms of 3,000,000 other outstanding warrants held by Credipresto (described as the “Second Warrants” in the Company’s press release announcing the Facility on September 22, 2014) by (a) decreasing the exercise price from \$0.19 to \$0.10 and (b) delaying the expiration date by a year from March 18, 2018 to March 18, 2019. As discussed in the September 22, 2014 press release, these warrants are no longer cancelable due to the Company having now drawn more than US\$7,500,000 on the Facility,

The Company has determined that the issuance of shares to Credipresto pursuant to the amendment is exempt from the formal valuation and minority approval requirements under Multilateral Instrument 61-101 because, in the good faith opinion of the Company's board of directors, neither the fair market value of the subject matter of the amendment nor the fair market value of the consideration being delivered by the Company pursuant to the amendment exceeds 25% of the Company's market capitalization.
