

Goldgroup Provides a Legal Update

Vancouver, British Columbia (September 22, 2017) – Goldgroup Mining Inc. (“Goldgroup” or the “Company”) (TSX:GGA, OTC:GGAZF, BMV SIX:GGAN.MX) would like to provide a legal update in regards to DynaResource, Inc.’s (“DynaUSA”) award in excess of USD\$48 million in damages against the Company. On August 24, 2017, a Federal Amparo judge in the state of Veracruz, Mexico, dismissed Goldgroup Resources Inc.’s Amparo challenge. Goldgroup’s position in response to the USD\$48 million claim remains the same with its previous press release (see Goldgroup’s August 31, 2016 and October 14, 2015 press releases). Goldgroup was never notified of the purported court case, and does not recognize any of the claims mentioned therein and is of the belief that such claims are entirely without merit. More importantly, the Company expects the claim to be voided at the Mexican Supreme Court level due to the unambiguous arbitration result in favor of Goldgroup in August, 2016.

“We remain confident in our position and expect that we will get favorable resolution in all current legal proceedings and regain control of San Jose de Gracia,” said Keith Piggott, Chairman, President and CEO of Goldgroup, “We’ll continue to work towards the enforcement of the favorable results and award from the conclusion of the arbitration between Goldgroup and Dyna USA” (see press release on August 31, 2016).

Goldgroup is a Canadian-based gold production, development, and exploration company with a significant upside in a portfolio of projects in Mexico and Ecuador, including a 50% interest in DynaResource de Mexico, S.A. de C.V., which owns 100% of the high-grade gold exploration project, San José de Gracia located in the State of Sinaloa.
