

Goldgroup Appoints Harry Burgess to Board of Directors

Vancouver, British Columbia (December 20, 2017) – Goldgroup Mining Inc. (“Goldgroup” or the “Company”) (TSX:GGA, OTC:GGAZF, BMV SIX:GGAN.MX) announces the appointment of Harry Burgess to the Company’s Board of Directors.

Mr. Harry Burgess was a Founding Partner and now an Associate Consulting Mining Engineer of Micon International, Ltd. and is a Member at Professional Engineers Ontario and a Member at The Canadian Institute of Mining, Metallurgy & Petroleum. He is on the Board of Directors at Cartier Iron Corp., GPM Metals, Inc. and ACME Resources Corp. Mr. Burgess was previously employed as an Independent Director by Champion Iron Mines Ltd., an Independent Director by Treasury Metals, Inc., an Independent Director by Tartisan Resources Corp., an Independent Director by Brigus Gold Corp., and an Independent Director by Vena Resources, Inc. He also served on the board at Mag Copper Ltd., Aquiline Resources, Inc., Absolut Resources Corp. and Amerix Precious Metals Corp. He has 40 years of experience with mining operations in China, Africa, North America and Australia. He received his undergraduate degree from Imperial College London, an undergraduate degree from The Royal School of Mines and a graduate degree from the University of the Witwatersrand.

Keith Piggott commented: “We are excited to welcome Mr. Burgess to the Company and very much look forward to utilizing his experience on the Board.”

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

Certain information contained in this news release, including any information relating to future financial or operating performance, may be considered "forward-looking information" (within the meaning of applicable Canadian securities law) and "forward-looking statements" (within the meaning of the United States Private Securities Litigation Reform Act of 1995). These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. Actual results could differ materially from the conclusions, forecasts and projections contained in such forward-looking information. These forward-looking statements reflect Goldgroup's current internal projections, expectations or beliefs and are based on information currently available to Goldgroup. In some cases forward-looking information can be identified by terminology such as "may", "will", "should", "expect", "intend", "plan", "anticipate", "believe", "estimate", "projects", "potential", "scheduled", "forecast", "budget" or the negative of those terms or other comparable terminology. Certain assumptions have been made regarding the Company's plans at the Cerro Prieto project. Many of these assumptions are based on factors and events that are not within the control of Goldgroup and there is no assurance they will prove to be correct. Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to materially differ from those reflected in the forward-looking information, and are developed based on assumptions about such risks, uncertainties and other factors including, without limitation: uncertainties related to actual capital costs, operating costs and expenditures, production schedules and economic returns from Goldgroup's projects; uncertainties associated with development activities; uncertainties inherent in the estimation of mineral resources and precious metal recoveries; uncertainties related to current global economic conditions; fluctuations in precious and base metal prices; uncertainties related to the availability of future financing; potential difficulties with joint venture partners; risks that Goldgroup's title to its property could be challenged; political and country risk; risks associated with Goldgroup being subject to government regulation; risks associated with surface rights; environmental risks; Goldgroup's need to attract and retain qualified personnel; risks associated with potential conflicts of interest; Goldgroup's lack of experience in overseeing the construction of a mining project; risks related to the integration of businesses and assets acquired by Goldgroup; uncertainties related to the competitiveness of the mining industry; risk associated with theft; risk of water shortages and risks associated with competition for water; uninsured risks and inadequate insurance coverage; risks associated with potential legal proceedings; risks associated with community relations; outside contractor risks; risks related to archaeological sites; foreign currency risks; risks associated with security and human rights; and risks related to the need for reclamation activities on Goldgroup's properties, as well as the risk factors disclosed in Goldgroup's Annual Information Form and MD&A. Any and all of the forward-looking information contained in this news release is qualified by these cautionary statements. Although Goldgroup believes that the forward-looking information contained in this news release is based on reasonable assumptions, readers cannot be assured that actual results will be consistent with such statements. Accordingly, readers are cautioned against placing undue reliance on forward-looking information. Goldgroup expressly disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, events or otherwise, except as may be required by, and in accordance with, applicable securities laws.
