

## **GOLDGROUP ISSUES CLARIFYING PRESS RELEASE**

**Vancouver, British Columbia (June 23, 2023).** Goldgroup Mining Inc. (“**Goldgroup**” or the “**Company**”) (TSX:GGA, OTC:GGAZF, BMV SIX:GGAN.MX) announces that as a result of a review by the British Columbia Securities Commission (“BCSC”) of the Company’s Annual Information Form for the year end December 31, 2022 (“**2022 AIF**”), the Company is issuing the following news release to clarify and retract certain disclosures with respect to the Company’s Cerro Prieto project and San Jose de Gracia project.

The Company would like to clarify that the mining key performance indicators (“KPIs”) in the Company’s Management’s Discussion and Analysis for the period ended September 30, 2022, year ended December 31, 2022 and period ended March 31, 2023 under the heading Financial And Operational Highlights have not been reviewed by the Company’s qualified person as stated and should not be relied upon. The Company is in the process of reviewing its internal procedures regarding qualified person requirements to ensure all future required disclosure are appropriately reviewed by a qualified person.

In addition, the disclosure in the 2022 AIF has triggered the requirement to file a technical report for the projects under s.4.2 (1)(f) of NI 43-101 and the Company would like to state that information in the 2022 AIF is not supported by a compliant NI 43-101 technical report, contrary to NI 43-101, and that the information should not be relied on until it has been verified and supported by a technical report.

### **About Goldgroup**

Goldgroup is a Canadian-based gold production, development, and exploration Company with projects in Mexico, including an interest in DynaResource de Mexico, S.A. de C.V., which owns 100% of the high-grade gold exploration project, San José de Gracia located in the State of Sinaloa and the Company’s 100%-owned Cerro Prieto heap-leach gold mine, in the State of Sonora, Mexico.

Goldgroup is led by a team of highly successful and seasoned individuals with extensive expertise in mine development, corporate finance, and exploration in Mexico. Goldgroup’s mission is to increase gold production, mineral resources, profitability and cash flow, with a view to building a leading gold producer.

### **CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION**

*Certain information contained in this news release, including any information relating to future financial or operating performance, may be considered “forward-looking information” (within the meaning of applicable Canadian securities law) and “forward-looking statements” (within the meaning of the United*

*States Private Securities Litigation Reform Act of 1995). These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. Actual results could differ materially from the conclusions, forecasts and projections contained in such forward-looking information.*

*These forward-looking statements reflect Goldgroup's current internal projections, expectations or beliefs and are based on information currently available to Goldgroup. In some cases forward-looking information can be identified by terminology such as "may", "will", "should", "expect", "intend", "plan", "anticipate", "believe", "estimate", "projects", "potential", "scheduled", "forecast", "budget" or the negative of those terms or other comparable terminology.*

*Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to materially differ from those reflected in the forward-looking information, and are developed based on assumptions about such risks, uncertainties and other factors including, without limitation: receipt of all required stock exchange and regulatory approvals; risks associated with the non-approval by shareholders of the agreements and transactions to be put forward for approval at the Shareholders Meeting; risks associated with operating the Minas de Oroco assets after the Shareholders Meeting if shareholder approval to the agreements and transactions is obtained at the Shareholders Meeting; the scope, duration and impact of the COVID-19 pandemic; the scope, duration and impact of regulatory responses to the pandemic on the employees, business and operations; uncertainties related to actual capital costs operating costs and expenditures; production schedules and economic returns from Goldgroup's projects; uncertainties associated with development activities; uncertainties inherent in the estimation of mineral resources and precious metal recoveries; uncertainties related to current global economic conditions; fluctuations in precious and base metal prices; uncertainties related to the availability of future financing; potential difficulties with joint venture partners; risks that Goldgroup's title to its property could be challenged; political and country risk; risks associated with Goldgroup being subject to government regulation; risks associated with surface rights; environmental risks; Goldgroup's need to attract and retain qualified personnel; risks associated with potential conflicts of interest; Goldgroup's lack of experience in overseeing the construction of a mining project; risks related to the integration of businesses and assets acquired by Goldgroup; uncertainties related to the competitiveness of the mining industry; risk associated with theft; risk of water shortages and risks associated with competition for water; uninsured risks and inadequate insurance coverage; risks associated with potential legal proceedings; risks associated with community relations; outside contractor risks; risks related to archaeological sites; foreign currency risks; risks associated with security and human rights; and risks related to the need for reclamation activities on Goldgroup's properties, as well as the risk factors disclosed in Goldgroup's Annual Information Form, MD&A and Information Circular for the Shareholders Meeting. Any and all of the forward-looking information contained in this news release is qualified by these cautionary statements.*

*Although Goldgroup believes that the forward-looking information contained in this news release is based on reasonable assumptions, readers cannot be assured that actual results will be consistent with such statements. Accordingly, readers are cautioned against placing undue reliance on forward-looking information. Goldgroup expressly disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, events or otherwise, except as may be required by, and in accordance with, applicable securities laws.*
